**January 11th Meeting
 Judging School on
 Holley Carburetors**

Please Pay Your 2020 Dues Now!

Chairman Ramblings- By Rick Smiley

HAPPY NEW YEAR everyone and what a year it is shaping up to be. But first, a special thanks to Marcia and Mike Rowley for providing the club house at their car condo for the club's Christmas festivities. Thanks also goes out to Phil Lorenz for the Smoked Ham and Marcia for the BBQ Brisket, and to all the members that brought the delicious side dishes and desserts. **A GOOD TIME WAS HAD by ALL!!!!**

CONGRATULATIONS to Chapter officers for the 2020 term.

- Chairman-Rick Smiley
- Vice-Chairman Dave Houlihan
- Secretary Jim Coote
- Treasurer Dallas Keller

Chairman Emeritus Kurt Geis

APPOINTED Positions

- Judging Chairman Dave Houlihan
- Judging Administrator Beverly Smiley
- Newsletter Kerri Keller

Thank you all for volunteering your time.

Now what is in store for 2020? Per our Chapter Judging Chairman, Dave Houlihan, January will bring a judging school with lots of hands on, on how to identify Corvette Holley carburetors.

Also on tap for January is the Devlin Rod and Custom Show. Several chapter cars will be on display along with

our chapter banner with information about our chapter and the NCRS.

For 2020, due to a shortage of judges, we will only be judging ONE car per event. Keeping this in mind, what follows is a potential list of Corvettes to be judged.

- 1956(Flight)
- 1963(Flight)
- 1965(Concours)
- 1968(Flight)

A 1970 is scheduled for our April Judging Event.

Mixed in with all these activities will be several technical schools.

2020 brings east and west coast regionals in Lakeland,

(Continued on page 2)

Chairman Ramblings - Rick Smiley (continued)

(Continued from page 1)

FL; Latham, NY; and Redmond, OR. More centrally located regionals will be in Loveland, CO and Rochester, MN with nationals in French Lick, Indiana.

Surrounding state having local Chapter events are Oklahoma, Nebraska, and Missouri. No one should be wanting for events to attend!!!!

If a member has a subject they would like to present or a hands on session please let Dave Houlihan or I know. Our desire is to keep everyone involved.

I would like to invite everyone to submit an article for our newsletter. Surely there are stories out there that can be enjoyed by everyone!!!!!!

“The Chairman”
Rick Smiley

Did you Know?

Using nomenclature from its past, Chevy introduced a Z06 model powered by a specific, more powerful engine, the 385hp-LS6 in 2001. What was unique to all 2001 hardtop models?

January Judging Chairman News—Dave Houlihan

Happy New Year! Reminder - January's after-meeting judging school/tech session will feature Holley carburetors. Holley was used on Corvette from 1964 thru 1972 and exclusively during 1966/67.

What we need is some example carburetors to examine. Great if carb happens to be in pieces so we can view internals. (Not asking anyone to disassemble a carb)

Holley has been making carburetors for a long time and for a variety of car companies, so examples from Ford, etc. would also be welcome for identification practice. Please bring two barrel (tri-power) carbs if you have them.

Most Holley's have choke tower ID stampings - examples of modified Holley carbs e.g. ones with choke tower removed or a Holley Demon would be great. Also example AFB and Quadrajet (particularly if apart) would be welcome for comparison.

Bring your Holley rebuild/tuning books & materials / war stories good and bad /etc to January's meeting.

Thanks,

Dave

Secretary's Report

Jim Coote had the month off since we did not have an official December Meeting due to our chapter's Christmas party.

Dues for 2020 are now \$25.00 per year.
If you are a new member since September,
you are paid for 2020.
Dues can be paid at the upcoming January Meeting.
If you are an out of town Member,
please mail your dues to:

Did You Know Answer: (from page 2)

Using nomenclature from its past, Chevy introduced a Z06 model powered by a specific, more powerful engine, the 385hp-LS6 in 2001. All 2001 hardtop models were Z06s with LS6 engines, and all had 6-speed manual transmissions with revised gear ratios.

Restoration Experience (if any) _____

Midway USA Chapter of NCRS in Wichita, KS

promotes the enjoyment, preservation and restoration of Chevrolet Corvettes.

We meet the 2nd Saturday of each month, 9:00 a.m. at Davis-Moore Chevrolet 8200 West Kellogg.

The National Corvette Restorers Society is a non-profit hobby group of thousands of families dedicated to the restoration, preservation, history and enjoyment of Corvettes. Membership in the National Organization is required in order to join local chapters. Below is the website for the National Organization.

The NCRS has organized Local Chapters around the world. Local Chapters provide the opportunity to meet NCRS Members in your region who share your love of Corvettes and the restoration and enjoyment of these fantastic cars. Chapters hold local events such as Judging Meets, Judging Schools, Road Tours and occasional social events.

If you wish to get the total NCRS experience you need to belong to one or more Local Chapters. The NCRS membership is made up of people who join for the cars and continue for the wonderful friends they have made. The easiest way to be part of that experience is through membership in Local Chapters.
